PROFESSIONAL EXPERIENCE

AI Video & Visual Content Creation | Independent / Project-Based Experience

- Create AI-assisted videos, images, GIFs, characters, scenes, and visual assets using multiple AI generation and editing platforms.
- Work from scripts, scene descriptions, visual references, and creative direction; assemble generated assets into finished content.
- Adapt to new AI tools, prompting methods, output requirements, and client-specific creative workflows.

Personal Content Creation | Video Editing • AI Content • Social Media

- Create and edit personal videos, short-form social content, and vlog projects using cuts, pacing, captions, music, transitions, and story flow.

Freelance — PC Technician / Technical Assistant | 2024–Present | Remote

- Provide remote troubleshooting and technical support; perform software installation, diagnostics, configuration, optimization, and general computer assistance.

Woflow — Image Annotation Specialist | 2023–2024

- Handle digital image annotation and localization tasks according to detailed project guidelines while maintaining accuracy and consistency.

TELUS International Digital — Personalized Internet Ads Assessor | 2021–2023

- Evaluate and rate online advertisements, search results, and listings for relevance and quality while following detailed guidelines.

Upwork — B2B Lead Generation & Data Entry Specialist | 2021–2022

- Conduct B2B research, build prospect lists, perform data entry, update CRM records, and manage spreadsheets with attention to accuracy.

GHUB Computer Shop — Computer Shop Attendant | 2019–2020

- Provide technical support, system troubleshooting, software installation, customer assistance, and basic hardware support.

YZA Coloured Digital Printing Company — Graphic Designer / Digital Printing Operator | 2013–2016

- Create layouts and graphics using Adobe Photoshop, Illustrator, InDesign, and Acrobat Pro; operate digital/wide-format printing and binding equipment.

EDUCATION

STI College – Fairview Campus — Diploma in Information Technology, 2011–2013 | Quezon City
